

AF Wingman Outreach-386 AEW

FOCUS AREA: RESILIENCE/SUICIDE PREVENTION/CONNECTION

WHAT: Facebook site for AF to connect Total Force Airmen in a positive, supportive forum.

The site arose in response to the desire to find more connections after the Resilience Tactical Pause.

The response was overwhelming - 37k members in 6 months!

The site inspired an AF Spouses Outreach page.

WHO: SSgt Zachary Miller with support from Master Resilience Trainers and other Airmen, who monitor the site to ensure members needing assistance are connected with services.

“The point of this group is to ensure every Airman can find a wingman if they need one REGARDLESS of rank.”-- SSgt Zachary Miller
