#### T.E.A.M Building - General Information

The T.E.A.M. Building event is an activity to promote how "Together, Everyone Achieves More!" The T.E.A.M. event is a fun way of getting to know others and learning how to effectively work together. The participants will gain experience working in teams with people they may/may not know well, receiving and/or giving instruction, asking questions, and honing communication skills. Each group will have 10 minutes at each table, and the total event should take between 60-70 minutes. The optimal group size for this event is 15-25 people. Organizers use a timer and bell/chime to keep people circulating around the tables.

## T.E.A.M. Building- Rules of Engagement

- Please sign in and fill out a nametag.
- Find a table to begin. No more than 4 people at each table. (All personnel should go to a table where they are unfamiliar with anyone else, if possible)
- The team will have 10 minutes to complete the game at their table. Each table will have a different game to complete. When the bell rings, they will move clockwise (as a team) to another table.
- When time is up, please return the game pieces to their original location before moving on to the next table.
- Once all teams have completed games at all of the tables, as a collective group, all teams will discuss what they learned about working in teams.
- Paper and pens are located at each table to collect the names and contacts of individuals team members would like to get to know better.

## T.E.A.M. Building – Kanoodle

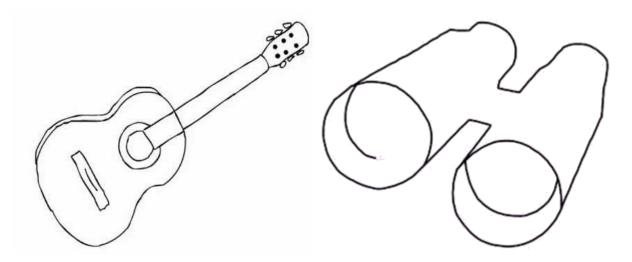

- 1. One person is chosen as the "Caller". That person will call out the color and location of the Kanoodle blocks for the team to put into place. The "Caller" position will be rotated clockwise amongst the team members.
- 2. The team will work together to correctly solve as many puzzles as possible before the 10 minute time period expires.
- 3. The team is NOT allowed to ask any questions from the "Caller" and the "Caller" is not allowed to tell the team whether or not they positioned the block in the correct position.

## T.E.A.M. Building – Tumble Tower (Jenga)

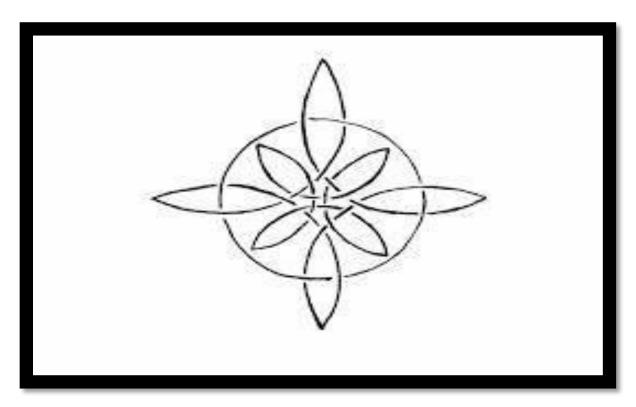

- 1. The group will split up into groups of two.
- 2. Each group will take turns removing blocks from the tower; HOWEVER, one individual from each group will tell their partner which tumble tower block to remove from the stack.
- 3. Partners will trade turns telling each other which blocks to remove when it's their team's turn.
- 4. The team that makes the blocks fall over loses and will set up the game for the next group.

## T.E.A.M. Building – Draw Me

- 1. One person is chosen as the "Caller". That person will describe a picture for the team to draw.
- 2. The "Caller" may tell the team where to start drawing, and must call out each line or shape in order to form the picture they are presented with.
- 3. The team can ask questions. And the "Caller" will reveal the real picture once everyone is done drawing what they thought it should look like.
- 4. Rotate "Callers" as time permits!

## T.E.A.M. Building – What Would You Use?

- 1. Each person removes something from the basket that they would use in case of a Zombie Apocalypse.
- 2. Each person will have to explain why they would choose the item that they chose and have to convince the other team members that they should choose the item as well.
- 3. The team will decide on ONE object that a team member chose to be the item they will use in case of a Zombie Apocalypse.
- 4. The team must look at the items left in the basket, and then decide on ONE more object that they will use to combat a Zombie Apocalypse and explain why.
