MEMORANDUM FOR DISTRIBUTION

FROM: ACC/CC

SUBJECT: No-Hat, No-Salute Designation for ACC Child Development Centers

1. Five ACC installations currently have no-hat, no-salute designations for their CDCs. Overwhelming feedback from the field tells me that standardizing this policy across ACC host wings will provide a small, but impactful, win for our members with young children. Doing so demonstrates our commitment to the parents and caretakers who enable ACC missions.
2. Effective 30 Sep 2020, the entrance areas and parking lots of CDCs on ACC installations will be designated as no-hat, no-salute areas. ACC units that are tenants at other MAJCOM-hosted bases are encouraged to discuss the benefits of implementing this policy with their host leadership.
3. If your wing has concerns or questions regarding this initiative please elevate them to Lt Col Jennifer Amato, ACC A1Z, at DSN 574-0361 or jennifer.amato@us.af.mil.

A handwritten signature in black ink, appearing to read "James M. Holmes".
